

Go **cashless** and **paperless** for events, fees and payments at your school.

With Xuno School Management System, you can create **hundreds of different events**, such as excursions, incursions, sporting events, school camps, school productions and more. Using the Xuno Family App or the Xuno Parent Portal, **parents can give approval** for their children to **attend events, complete online forms** and make **instant payments**.

- Xuno provides **end-to-end management** of events, including collection of fees, voluntary school fees, materials levies and much more.
- Create **customisable events** like excursions and camps, get them approved by your business manager or leadership and **spread the word** to parents and students via the app or email.
- Set up **split payments, apply credits** and **funding**, set up **payment and instalment plans** and **direct debits**.
- **Improve communication** between the school and the community by having all events, fees and payments available in the **Xuno Family App**.
- Allow parents to **approve their child's involvement electronically** and **pay online**, saving you paper and human effort.
- Create and print **listings of students** to see who is yet to be approved or to make a payment.
- See all events details, including taking attendance, using the **Xuno Teacher App** when outside the school, or create paper reports when taking students off the school premises.
